1. Introduction

'Lockdown' procedures should be seen as a sensible and proportionate response to any external or internal incident which has the potential to pose a threat to the safety of staff and pupils in the school. Procedures should aim to minimise disruption to the learning environment whilst ensuring the safety of all pupils, staff and visitors.

'Lockdown' procedures may be activated in response to any number of situations, which may include:

- A reported incident/civil disturbance in the local community (with the potential to pose a risk to staff and pupils in the school);
- An intruder on the school site (with the potential to pose a risk to staff and pupils);
- A warning being received regarding a risk locally, of air pollution (smoke plume, gas cloud etc.) or chemical, biological or radiological contaminants;
- A major fire in the vicinity of the school;
- The close proximity of a dangerous dog/animal roaming loose.

2. 'Lockdown' Alert

The nominated Lockdown Manager at the school is the Headteacher Lucy Horne or School Business manager Carole deSilva they will initiate, manage and conclude the 'lockdown'. They will also communicate with the emergency services. The role and responsibilities of the Lockdown Manager are recorded in Appendix 1.

The fire alarm will not be used to alert staff of the need to 'lockdown' to avoid potential confusion. If the fire alarm sounds during a 'lockdown' it is to be ignored unless smoke or flames are directly visible and pose an immediate threat to your location.

3. Lockdown Arrangements

3.1 Partial Lockdown

Staff will be alerted by Code word – 'Partial lockdown'.

In a partial 'lockdown' staff and pupils must remain in the school building and all doors leading outside must be locked. No one can be allowed to enter or leave the building; however teaching and work should continue as usual if practicable to do so. This may be as a result of a reported incident/civil disturbance in the local community with the potential to pose a risk to staff and pupils in the school, but whereby that risk is not immediate. It may also be as a result of a warning being received regarding the risk of air pollution, etc. especially any warning from the emergency services.

Immediate action

- All outside activity to cease, pupils and staff return to the building. (There needs to be a means of communicating the alert to duty staff at break times).
- All staff and pupils remain in the building and all external doors and windows to be locked shut, other than those as designated emergency exits.
- Free movement may be permitted within the building dependent upon circumstances.
- In the event of air pollution, chemical, biological or radiological contaminants issue, air vents, fans, heating and air conditioning systems must be closed or turned off.
- Use anything to hand to seal up all the cracks around doors and any vents into the room – your aim is to minimise possible ingress of pollutants.

- Staff should await further instructions.

All situations are different. Once all staff and pupils are safely inside, senior staff will conduct an ongoing and dynamic risk assessment based on any advice received from the Emergency Services.

Communication during a 'partial lockdown' will be via the school's email system, internal phone system or direct communication from the Lockdown Manager.

A 'partial lockdown' may also be used as a precautionary measure; putting the school into a state of readiness (whilst retaining a degree of normality) should the situation escalate.

Emergency Services will advise as to the best course of action in respect of the prevailing threat.

Staff and pupils remain in 'lockdown' until it has been lifted by the Lockdown Manager or senior member of the emergency services.

3.2 Full 'Lockdown'

Staff will be alerted by three short blasts of the fog horn.

This signifies an immediate threat to the school and may be an escalation of a partial 'lockdown'. The aim of a full 'lockdown' is for the school and its rooms to appear empty.

Immediate action

- All pupils/staff to stay in their classroom or move to the nearest classroom;
- Office staff should remain in their office;
- All outside activity to cease, pupils and staff return to the building or exit the site and proceed to the cathedral via the cemetery. (There needs to be a means of communicating the alert to duty staff at break times).
- External doors locked. Classroom doors locked (where a member of staff with a key is present) or barricaded;
- Windows locked, blinds drawn, internal door windows covered (so an intruder cannot see in);
- Pupils and staff to sit quietly out of sight and where possible in a location that would protect them from gunfire, bullets can go through glass, brick, wood and metal. Consider locations behind substantial brickwork or heavy reinforced walls;
- Lights, smartboards and computer monitors turned off;
- Pupil's mobile phones to be turned off, staff mobiles to be set to silent with no vibrate;
- A register to be taken of all pupils and staff in each classroom/office;
- Communicate register of staff and pupils to the Lockdown Manager;
- Staff should await further instructions.

During the 'lockdown', staff will keep agreed lines of communication open but not make unnecessary calls as this could delay more important communication. Staff are not to use the school's email system or internal phone lines as these may not be secure.

Staff and pupils remain in 'lockdown' until it has been lifted by the Lockdown Manager or senior member of the emergency services.

4. Unsafe Areas (if applicable)

The following areas must not be used during a lockdown and should be evacuated as they cannot be secured:

- Toilets
- Hall
- Class 2 open classroom

5. Communication with Parents and Carers

The 'lockdown' manager will inform parents and carers that the school is in lockdown via the school's **Texting system and /or email system**, the below template may be used:

'The school is in a lockdown situation. During this period phones will not be answered, all doors are locked and nobody can enter or leave the site. We are working to ensure the safety of all our children. **DO NOT** come to the school until the incident has been resolved. We will keep you informed as best we can.'

During a 'lockdown' no members of the public will be allowed into the school and parents/carers will be told not to travel to the school.

All staff, pupils and visitors to the school will not be allowed to leave the school until the lockdown has been declared over.

Parents and carers must not try to contact the school during the 'lockdown'.

Pupils will not be dismissed to parents or carers until the incident has been declared over by the Lockdown Manager or senior member of the emergency services.

6. Appendix 1 –Roles and Responsibilities

Lockdown Manager

This should be the Headteacher or a designated member of the senior leadership team. A deputy Lockdown Manager should be designated in case the Lockdown Manager is not on the school site at the time a lockdown is declared.

- Alert all staff and pupils of the need to 'lockdown' the school.
- For partial 'lockdowns' this will be achieved via Code word – 'Partial lockdown' and for full 'lockdowns' this will be via the fog horn – three short blasts.
- Inform emergency services immediately.
- Inform parents/carers via text or email system.
- Ensure communication networks with all key staff are established.

Classroom Based Staff

- Lock all external doors and windows.
- If full lockdown secure all internal doors – lock or barricade.
- Close and secure all windows.
- Close all curtains or blinds.
- Ensure pupils are in a safe place in the classroom i.e. sheltered by a substantial wall away from doors and windows.
- Ensure you have a means to communicate with the lockdown manager.

Office Based and Site Staff

- Ensure all entrances are locked and secured.
- Close and secure all windows.
- Turn off all IT equipment.

All other staff

- If in a classroom help to secure all entrances and exits.
- If in small area with child or alone then follow procedure to ensure own safety and that of the child/children.
