**Date shared with staff: 22/04/2020**

**This policy is for use during the COVID-19 school closure only**

Context

From 20<sup>th</sup> March 2020 government guidance required all schools to partially close for the period of interim COVID-19 arrangements.

Schools and all childcare providers are asked to provide care for a limited number of children - children who are vulnerable, those with EHCPs where an assessment of need has taken place and children whose parents are critical to the COVID-19 response and **cannot be safely cared for at home.**

This annex of the St Philip’s Safeguarding and Child Protection policy will take effect during this period of time and will be reviewed as government policy and guidance changes.

This policy has been amended in line with Department for Education and West Sussex County Council guidance for Safeguarding in Education.

## **8. Vulnerable children**

During this period school will refer to the Government and Local Authority guidance to define vulnerable groups.

Where possible all safeguarding and child protection practices stated in our main policy will be adhered to.

Additional or amended practices will be added as further appendices to this policy as appropriate.

The COVID-19 definition March 2020 stated;

Vulnerable children include those who have a Social Worker and those children and young people up to the age of 25 with an Education, Health and Care (EHC) plans.

Those who have a Social Worker include children who have a Child Protection Plan and those who are looked after by the Local Authority. A child may also be deemed to be vulnerable if they have been assessed as being in need or otherwise meet the definition in section 17 of the Children Act 1989.

**Recent Government guidance** is that all vulnerable children should be attending school however it is recognised that normal attendance rules do not apply.

St Philip's will continue to work with and support children's Social Workers to help protect vulnerable children, especially those vulnerable children who are not attending school.

Our school will discuss such cases regularly with the children's Social Worker and identify what part the school can play in monitoring a vulnerable child on a case by case basis.

### **Children Looked After**

Our school will work with children's Social Workers and the local authority Virtual School Headteacher (VSH) for looked-after and previously looked-after children.

The lead person in our school for this is:

Lucy Horne

St Philip's will encourage our vulnerable children and young people to attend a school, including remotely if needed.

## **9. Children's Social Care – RAG Assessment of Open Cases**

During this period St Philip's will fully adhere to these practices.

## **10. Continued Safeguarding Planning –**

Schools RAG Assessment for children with safeguarding concerns.

St Philip's will follow all Local Authority guidance regarding pupils who are not supported by key safeguarding partners but are defined by us as vulnerable pupils due to the current school arrangements.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

St Philip's will encourage these children also to attend school.

Where these children are not attending our school will consider, on a case by case basis, how we can monitor and support those children and their families.
