

Sports premium funding proposals and impact 2019-20

In spending the funding we take into account the following factors;

- The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- The increase and success in competitive school sports
- How much more inclusive the Physical Education (PE) curriculum has become
- The growth in the range of traditional and alternative sporting activities
- The improvement in partnership work on PE with other schools and other local partners
- Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and Sport they offer. It should be used to:

- Develop or add to the PE and sport activities that the school already offers
- Build capacity and capability within the school's provision, helping to ensure that improvements made now will benefit pupils joining the school in future years.

Overview of the school

Number of pupils and Sports premium grant (SPG) received 2019-20	
Total number of pupils on roll	189
Total amount of SPG received	£17,827

Summary of SPG spending 2019-2020

Objectives in spending SPG:

Continue to improve staff expertise in order to ensure good/outstanding PE teaching through the provision of professional development opportunities

Continue to increase and sustain participation in sport for all children, including inviting targeted children (least active) to participate in sports clubs (new and existing clubs)

Encourage children to participate in sports through the use of professional coaches

Continue to increase and sustain participation from all pupils in both competitive sporting events and festivals, both within school and with other schools

Provide leadership opportunities for children (young sports leaders)

Provide opportunities for outdoor activities during breaktimes in the school day (active lunchtimes)

Ensure all children can swim at least 25m at the end of Year 6

Use a range of strokes

Perform safe self-rescue in different water-based situations

Summary of spending and actions taken:

Funding allocated to :

Professional development-Subject leader/staff working alongside coaches/specialist teachers

Extending repertoire of clubs and funding places for certain children

Hiring specialist coaches(tennis/squash/gymnastics) to encourage greater participation and also in new sports(squash)

Sports partnership with High school and other locality schools to deliver a range of competitions and festivals

Providing cover for subject leader to train sports leaders

Developing equipment to enhance exercise and active play (particularly active trail of equipment for all children).

Extra opportunities for Year 6 children to develop swimming distance and capabilities.

Impact of spending 2019-20:

Equipment/resources = £10,726

Trim trail for outdoor play. Keeping children focused and active and engaged during outdoor time. All children included in its usage. Other resources such as playtime balls and racquets mean all children are active during their lunch break, adding to the amount of physical activity each day.

Professional services/training = £416

CPD for staff and competitions for pupils (interschools) mean higher quality delivery by staff and all pupils accessing competitive sport in a safe and healthy environment.

Staff costs = £719

Enabling children to attend SEN competitions, disadvantaged group competitions and other competitive events (cross country, indoor athletics, boccia etc)

Transport = £125

Allowing children to get to events, especially those whose parents do not have transport. Allowing all children an opportunity to access sport and physical activity.

Spend = £15, 520

Underspend: £2,300 (due to Covid-19)
